Kildare & Leighlin Diocese News: This summer 238 students representing 23 schools in the Kildare and Leighlin Diocese trained to be Meitheal leaders for their schools. They participated in a week long residential training course. This training course equips the students with the skills that they need to work in Meitheal teams back in their schools. The course is designed to empower and educate through leadership training, prayer and reflection. The Meitheal groups will now take up their roles in their schools. They will now work with the first year students and help them settle into their new school. We pray for them and for the good work that they will do with their first years. ***Micah 6:8 - "Act Justly, Love Tenderly, And Walk Humbly with your God".***

Back to School Prayer

Lord, please bless all our students, teachers, friends and relatives as they make their way back to their classrooms for another year. Bless their school and keep them safe.

Be with them as they travel to and from school each day.

Help them to feel excitement and joy in the promise of a new start.

Give them everything they need to start their classes. Give them all they need all year.

Give them imagination and creativity, give them wisdom all year.

Help their teachers have just the right words of encouragement for each student.

Let this be a truly wonderful year for everyone involved in education.

Amen.
