Learning About The Mass With Kath And Qumen

HOW CAN WE ANNOUNCE THE GOSPEL?

There are so many everyday things that we do, sometimes without even thinking about them, that help us to live the Gospel by loving and serving the Lord. By making a call, going to visit or even sending a text or email to grandparents, aunts or uncles who would love to hear from us. Doing what

we are told without making a fuss.

Making our beds and tidying our rooms without being asked. Spending time talking instead of watching television or playing computer games. Taking time to say a prayer at the beginning and end of the day, or when you sit down to eat together. Sorting out toys and clothes that you no longer need to give to St Vincent de Paul or some other charity.
