## *Carbury Parish Annual trip to Knock 2016*

The trip to Knock was a huge success. We had lovely weather for the whole day. 44 people travelled on the bus. Others joined us by car. We had Mass at the Gable at 11.45. Sister Briega McKenna was in our congregation with many others from the Intercessions for Priests group (based in All Hallows College for the month of August). Fr Kevin Scallan CSSP joined us on the altar to concelebrate and also Fr Tom Lavin from Brentwood in England. At the

Mass of Anointing at 3pm Fr Murphy (home from the missions) a Mill Hill Father, told us that Knock is very busy this year and the number of confessions is way up, more than usual. It's probably to do with the year of mercy he said. We stopped in Moate for a meal on the way home and finished off the trip with a nice sing song. During the day we prayed for ourselves, our families, our parish, our country and the world. We believe that Jesus will answer our prayers through Our Lady's intercession. Remember he changed the water into wine when his mother asked him to at the wedding feast of Cana. *Fr Fitzpatrick PP*

**Amoris Laetitia Quote:** "Hope is the leaven that, in those first years of engagement and marriage, makes it possible to look beyond arguments, conflicts and problems and to see things in a broader perspective. It harnesses our uncertainties and concerns so that growth can take place. Hope also bids us live fully in the present, giving our all to the life of the family, for the best way to prepare a solid future and to live well in the present."

**Feast of the Assumption of the Blessed Virgin Mary – Monday August 15<sup>th</sup>.**

All the feast days of Our Lady mark the great mysteries of her life and her part in the work of redemption. The central mystery of her life and person is her divine motherhood, celebrated both at Christmas and a week later on January 1<sup>st</sup> on the feast of the Solemnity of Mary, Mother of God. The Immaculate Conception on December the 8<sup>th</sup> marks the preparation for that motherhood, so that she had the fullness of grace from the first moment of her existence, completely untouched by sin. The Assumption completes God's work, since it was not fitting that the flesh that had given life to God himself should ever undergo corruption. The Assumption is God's crowning of His work as Mary ends her earthly life and enters eternity. The feast turns our eyes in that direction, where we will follow when our earthly life is over. The feast days of the Church are not just the commemoration of historical events; they do not look only to the past. They look to the present and to the future and give us an insight into our own relationship with God. The Assumption looks to eternity and gives us hope that we, too, will follow Our Lady when our life is ended. The prayer for the feast reads: "All-powerful and ever-living God: You raised the sinless Virgin Mary, mother of your Son, body and soul, to the glory of heaven. May we see heaven as our final goal and come to share her glory." **Mass for the feast of the Blessed Virgin Mary in Carbury Parish takes place tomorrow Monday the 15<sup>th</sup> of August in Derrinturn Church at 9.30am and also in Kilshanroe Church at 7.30pm Monday evening.**
