**The Easter Triduum** Christ redeemed us all and gave perfect glory to God principally through his paschal mystery: dying he destroyed our death and rising he restored our life. Therefore the Easter Triduum of the Passion and Resurrection of Christ is the culmination of the entire liturgical year. The celebration of the paschal mystery is not simply a recalling of past events in history. It is a sacramental celebration that renders present and actualises the saving power of Christ's death and Resurrection to the Church. The Easter Triduum consists of Holy Thursday, Good Friday and Easter Sunday.

**The Apostolate of Eucharistic Adoration** invites all Parishioners to a special Pilgrimage to Knock Shrine on Sunday 30<sup>th</sup> April. # Easter Sunday 2017

Easter is the celebration of Christ's resurrection from the dead. It is celebrated on Sunday, and marks the end of Holy Week, the end of Lent, the last day of the Easter Triduum (Holy Thursday, Good Friday and Easter Sunday), and is the beginning of the Easter season of the liturgical year.

As we know from the Gospels, Jesus Christ rose from the dead on the third day following his crucifixion, which would be Sunday. His resurrection marks the triumph of good over evil, sin and death. It is the singular event which proves that those who trust in God and accept Christ will be raised from the dead.

Since Easter represents the fulfilment of God's promises to mankind, it is the most important holiday on the Christian calendar.

In the Gospels, the precise details of the Easter narrative vary slightly, but none of these variances are critical to the main story. In fact, it is argued that the variances are simply matters of style and not substance. Despite the variances, the key aspects of the Easter story all match. Above all, they agree that the tomb of Christ was indeed empty, which is the most essential fact. Based on direct evidence from the mid-second century, it is believed that Easter was regularly celebrated from the earliest days of the Church.

The Easter date is movable and always falls on a Sunday between March 22<sup>nd</sup> and April 25<sup>th</sup>. Easter in the Roman Catholic Church is always on the first Sunday after the first full moon after the spring equinox.

***'Christ is Risen, Alleluia!'*** *This is the ancient Christian greeting on this day of great joy and happiness for all. Easter is not simply one feast among others, but the "Feast of feasts".*
