Our Lady of Fatima First Saturday: 2017 is the 100-year anniversary of Our Lady of Fatima. Our Lady promised to assist at the hour of death with the graces necessary for salvation all those who on the First Saturday of five successive months, go to confession, receive Holy Communion, say five decades of the Rosary, and keep her company for a quarter of an hour, meditating on the fifteen mysteries of the Rosary."The First Five Saturdays devotion stimulates the spirit of reparation; it instils a love for the Sacraments of Confession and the Blessed Eucharist. It nurtures a holy love for the Immaculate Heart of Mary and the Rosary.

May is the month that is dedicated to Our Lady. We invite all children to bring some flowers for our Blessed Mother to any Mass over the coming weeks and leave them at the altar. Thank you.

May 1st – May Day: The month of May is dedicated to Mary, an appropriate time of year, since so many plants are in blossom. How close the common association of Mary with the hedgerow flowers has always been one can see by the very names we still give to these flowers. Lady's smock, marigold, lady's thistle, lady's bedstraw, may blossom, are all called after Mary. At this time of the year flowers are collected and brought home and used to decorate the statue of Our Lady and her May Altar.

*Hail, holy Queen, Mother of mercy,
hail, our life, our sweetness and our hope.
To thee do we cry, poor banished children of Eve: to thee do we send up our sighs,
mourning and weeping in this vale of tears.
Turn then, most gracious Advocate, thine eyes of mercy toward us,
and after this our exile, show unto us the blessed fruit of thy womb, Jesus,
O merciful, O loving, O sweet Virgin Mary! Amen.*

Pope announces canonisation of Fatima shepherd children. Pope Francis has announced that the two young shepherd children from Fatima, Francisco and Jacinta Marto will be canonised during his forthcoming visit to the Portuguese town on 13th of May. During an ordinary public consistory in the Vatican, the Pope announced the canonisation of a total of 35 people, the

majority of them 16th and 17th century Latin American martyrs. They include 30 Brazilian priests and lay people killed by Dutch soldiers for their refusal to convert to Calvinism during the colonization of north eastern Brazil in 1645. Three other martyrs were young Mexican boys, educated by Franciscan missionaries and murdered for their refusal to follow the local indigenous religion. The new saints also include a Spanish priest, who founded an institute for abandoned children at the turn of the 20th century, as well as a Capuchin brother from Naples who defended the rights of the poor, in the 18th century.

Centenary of Marian apparitions: Undoubtedly, the best known names on the list of newly proclaimed saints are those of Portuguese brother and sister Francisco and Jacinta Marto, the shepherd children who, along with their cousin Lucia Santos, saw the apparitions of Our Lady in Fatima exactly one hundred years ago.

Beatified by Pope John Paul II: Unlike Lucia, who became a nun and lived to the age of 98, Francisco and Jacinta died in childhood, aged just 9 and 11, as a result of the great flu epidemic that swept through Europe in 1918. On the 13th of May 2000, the two of them were beatified by Pope John Paul II during his pastoral visit to Portugal.

Sr Lucia's cause for beatification: Meanwhile the case for Sr Lucia's beatification concluded its first phase in Portugal earlier this year and is now being examined at the Congregation for the Causes of Saints in the Vatican. More information on www.catholicnews.ie

Pope Francis has delivered the first-ever papal TED Talk, entitled 'Why the only future worth building includes everyone!' A single individual is enough for hope to exist, and that individual can be you, says His Holiness Pope Francis in this TED Talk delivered directly from Vatican City. In a hopeful message to people of all faiths, to those who have power as well as those who don't, the spiritual leader provides illuminating commentary on the world as we currently find it and calls for equality, solidarity and tenderness to prevail. "Let us help each other, all together, to remember that the 'other' is not a statistic, or a number," he says. "We all need each other". TED (Technology, Entertainment and Design) is a non-profit organization dedicated to spreading ideas in the form of short talks. The video is available on the Carbury Parish Facebook page or on our website www.carburyparish.ie

Community Garden: Anybody is welcome to come and help out in the community garden and sowing season is about to begin. It is very good for children to let them see how nature works.
