First Communion Preparation Meeting: I would like to extend a sincere thank you to all the parents who attended the meeting for First Communion Preparation on Wednesday evening last. He would like to acknowledge the support of the parents who have offered to become members of the *Programme Planning Group*.

As the children prepare for this sacrament, it is the responsibility of the **home, school and parish** to work together in partnership to have the child ready for this special occasion. Preparation begins long before the First Communion day.

These young people are now preparing for a sacred and important moment on a long journey of faith development. We wish all children, parents and teachers God's blessings as they continue this preparation. *Fr John Fitzpatrick PP*

LEARNING ABOUT THE MASS WITH KATH AND QUMEN:

WHY GO TO MASS?

When you were baptised you became a member of God’s family and we call that the Church. You might think the church is just a building but the Church is also the name we give to the people who gather in the building. Without the people, the Church would be just another building. One of the most important things we do as part of God’s family is go to Mass.

WHAT DO WE DO AT MASS?

There is a special name for all the people gathered together for Mass. They are called the Assembly. Everyone in the Assembly helps to make the Mass a celebration of God’s love for us by:

- ✓ Joining in the prayers
- ✓ Standing, kneeling and sitting at the right times
- ✓ Singing
- ✓ Listening carefully
- ✓ Offering our gifts to be shared
- ✓ Coming to the table to receive communion or a blessing.

In other words, we are all part of the action! In Church language this is called ‘**full, active and conscious participation**’.
