**Volunteer: The World Meeting of the Families 2018** will attract thousands of Irish and International pilgrims. Organising it and seeing it through will only be possible with the help of generous volunteers who will put their love and talents to service. In 2012, for the 50th International Eucharistic Congress, approximately 2,000 volunteers gave their time, abilities and service to organise this event in various roles, such as stewards, welcoming and information teams, photographers, bloggers, media support, logistics, programming support, among many roles. We are seeking several thousand volunteers; we hope WMOF2018 will appeal to many to help! Our volunteers are vital to the success of the World Meeting of Families.

We will be grateful for every single minute that you give us of your precious time and we truly value your contribution and hope you consider applying as a member of our Volunteer Team. We would like to say a big thank you to everyone who expressed an interest through our website in volunteering and signed up for our newsletters and to all of those who contacted us. Everyone looking to volunteer must now officially apply to become a WMOF2018 volunteer through our online application link.

**Why volunteer?** Volunteering is of enormous personal, social and spiritual benefit. It helps people share their skills and learn new ones, while also contributing to society overall. There are many other reasons to volunteer for WMOF2018; gaining experience, social interaction, and making new friends or simply helping to create this amazing and once in a lifetime event.
