Don't forget this weekend Clocks go Forward - Saturday night/Sunday morning March 31st at 1am, which means you should put your clock forward by 1 hour. Daylight Saving Time or "Summer Time," as it's known in many parts of the world was created to make better use of the long sunlight hours of the summer. By "springing" clocks forward an hour in March, we move an hour of daylight from the morning to the evening.

The Irish Catholic Newspaper: There is a real need for us as Catholics to feed our faith on a daily basis. This is why our parish is partnering with The Irish Catholic newspaper with a special initiative for 10 weeks from 14th March 2019. The paper will be available for just €1 per edition for this time, and we encourage as many people as possible to pick it up. From hearing uplifting positive news from parishes around the country, to getting the Catholic perspective on the latest news, there is something for everyone in the paper. So please do pick up a copy, take time to read it throughout the week, and invest in your faith this Lent.

M O T H E R

*"M" is for the million things she gave me, "O" means only that she's growing old,
"T" is for the tears she shed to save me, "H" is for her heart of purest gold;
"E" is for her eyes, with love-light shining, "R" means right, and right she'll always be,
Put them all together, they spell "MOTHER,"
A word that means the world to me.*

Mothers Day, Sunday 31st of March.

We wish all the Mothers in the Parish a Happy Mother's Day.
