A new European Data Protection law, the General Data Protection Regulation ("GDPR"), was introduced on 25th May 2018. This new law applies to any organisation, including our parish that manages and processes people's personal information. Over the last number of months, we have been working on ways of ensuring that what we do with your information is compliant with this new law. It is a work in progress and you will see changes in the way we do things to ensure that your personal data is kept safe and secure. Our Parish has a data privacy notice, which is available in the parish office. If you have any questions about this please do not hesitate to contact the parish office.
