Carbury GAA Clubhouse Update:

Just a quick update as there have been many queries as to the reopening of the Clubhouse. As it stands, our committee are working towards preparations for the reopening; taking into consideration all the regulations that will need to be implemented in order to reopen. However, it has been decided that the club will await the outcome of the next government meetings and phasing on the 20th, before tying down a reopening date. There are many rules and regulation to reopening the clubhouse to public functions and in the interest of public safety, we would like to ensure that we have all the information and the means necessary to make this happen. In the mean time, please bear with us and we will update you again with more solid information once we have a road map to reopening in place.

Kildare and Leighlin Sings 'A Hymn of Hope'

Dear Friends

This is just to tell you that today our Virtual Recording – The Cloud's Veil – goes live. On behalf of Bishop Denis, thank you to the many people who took part. We had an overwhelming result with so many recordings and videos being sent in.

The end result is what you see today. All of the audios were used but there were some of the videos that were unfortunately not possible to upload simply for technical reasons.

Many thanks to Mark and his team for spending hours trawling through videos to put them together to make this recording.

The Song can be seen on Kandle.ie or the Kildare & Leighlin Facebook Page on YouTube and also on the Liam Lawton FB Page.

I hope that during these times when Choirs cannot sing together in church that this will remind you of the important role you play in helping people to know that, God is by our side.

Many thanks again

Liam Lawton
