A Prayer for Kildare & Leighlin Diocese:

Gracious God, Your Spirit has always been present in the Church as it adapted to changing pastoral needs and circumstances. We ask You to send your Spirit upon the people of Kildare & Leighlin as we journey in faith through this time of transition. Give us a spirit of openness, that we might follow where You are leading. Give us a spirit of courage that we might take the steps You invite us to take. Give us a spirit of charity, that we might journey together in mutual love and respect. Bless us as a faith community who trace our origins to Brigid, Conleth and Laserian. May we be outstanding in charity as St. Brigid of Kildare. May we be constant in faith as St. Conleth of Old Connell. May we be wise and prayerful as St. Laserian of Leighlin. Help us to respond generously to the call of our baptism, and use our gifts in service of each other. May each of us be a living witness to a Kingdom of truth and freedom, justice and peace, in our homes, in our parishes, in our diocese and in the wider world. We ask this through Christ, Our Lord. Amen.

Procedures for a safe resumption of First Friday and Home Visits

Many priests and parishioners have felt deeply the loss of first Friday visits. Now, as restrictions have begun to ease and in accordance with government and health advice, we are in a position to make a cautious and managed return to this important pastoral ministry.

Before the Visit

When arranging a home visit, make sure to check with people that they are free of any Covid 19 symptoms and that they are happy to receive a visit from you. Let them know that, for their safety and yours, you will be following health advice and that your time in the home will be limited. If distributing Holy Communion, ask the person you are visiting to have a clean cloth on a table to put the pyx on (or bring your own).

Current HSE advice states that facemasks should be worn when visiting people aged 70 or over, or other vulnerable people, and social distancing should be practiced.

At the visit

During the visit maintain social distance and avoid physical contact and, if the person is over 70 or medically vulnerable, wear a face covering.

If distributing Holy Communion, place the pyx on a table with a clean cloth. Hands should be sanitised both before and after distributing Communion, which is to be distributed in the hand.

Before leaving the home, sanitise your hands.

A habit that gives way to ministry

The above may seem quite mechanical and a far remove from the spirit of the pastoral engagement in our first Friday ministry. Yet, at this time, these are the required precautions that will enable us to resume and continue this ministry. As these practices become habit we will become less conscious of them and will, I believe and hope, be able to focus our attention more on this privileged and prayerful encounter in which we continue the loving and healing ministry of Christ.
