## FACE COVERINGS IN CHURCHES

At this time, both in Northern Ireland and in the Republic of Ireland, the governments have not formally made mandatory the wearing of face coverings at services of worship. This is, in part, due to the fact that as churches we are committed to maintaining 2 metre physical distancing between household groups and strict adherence to all government guidance on hand hygiene, cleaning, ventilation etc.

It however remains our responsibility to ensure that our services of worship are safe places for all who join with us. It has become increasingly clear that the wearing of face coverings, in conjunction with hand washing etc, is likely to reduce the spread of Coronavirus, thus helping to protect others. Their use is therefore one way in which we can evidence protection for the most vulnerable, support for our health workers and practical love for our neighbours.

Following further recent consultations with public health authorities, I, along with other Christian church leaders all over this island, am formally recommending and encouraging the use of face coverings at all Masses and other liturgical celebrations, along with the ongoing maintenance of 2 metre physical distancing, from Sunday 30th August 2020, and earlier if practicable.

I understand that some people are exempted from the wearing of face coverings, as outlined in the two jurisdictions: <https://www.nidirect.gov.uk/articles/coronavirus-covid-19-face-coverings> and <https://www.gov.ie/en/publication/aac74c-guidance-on-safe-use-of-face-coverings>

I also recognise that whilst it may not be appropriate for the celebrant and some others (for example ministers of the Word) to wear face coverings, they should at all times continue to maintain at least 2 metre physical distancing from one another, and four metres physical distancing from the front row of the congregation.
