Nancy Stewart turns 107

My name is Nancy Stewart and I was born on the 16th of October 1913. This weekend I turn 107 years of age. Imagining turning 107 in a world pandemic. This definitely is something very unusual even for me and all I have been through.

I live in Clonard in County Meath and have lived in my home for over 83 years. I lost my husband in a car crash in 1989, and lost my twin daughters Margaret in 2007 to motor neurone and Anne in 2010 to utter heartbreak of losing her sister. I have lost all my friends throughout the years, which comes with living so long on this earth. I am very lucky to still have three daughters Kathleen, Mary and Olive and one son Finian and I have 84 grandchildren, great grandchildren and great great grandchildren.

I write to you today to send you my love and to offer you my prayers. I miss attending mass but I know you are here today representing me in your seat. I am very lucky to have been given a great faith by my parents many years ago and I have kept it all these years. This is a hard time for everyone but please make sure you keep yourself well and wear your mask. If you keep healthy, your mind will stay healthy too. Keep talking to one another. Keep talking to God, he is always there.

We must always look forward. I cannot believe I am the oldest person in Ireland living in my own home, I do not feel that old. When God wants me, he will come take me but for now I will keep enjoying my life, Good food and lots of tea is my secret to a long life as well as keeping positive as best we can. Thank you for thinking of me today in your prayers and I promise I will think of you in my many Rosaries I say every day. Thank you Fr. and all the Priests who keep all the Parishes going. Your work will be rewarded in Heaven and please God, down here too, you will feel our appreciation for your life's work.

Many blessings and much love,

Granny Nancy x

Graveyard Bins: It has come to our attention that the bins in the graveyard are not being used properly; people are putting flowers, clay in pots, black bags etc in the recycle bin. The dark green bin is for waste rubbish only, and the light green bin is for recycle waste. The county council will not empty the bins if the wrong waste is in them, thank you for your cooperation.

World Mission Sunday: 18th October 2020

This year's theme, Together we can do more – Blessed are the peacemakers, reminds us that the Universal Church family is a global community that must stand together if it is to do more. It also recognises overseas missionaries as peacemakers, who like Jesus Christ, emulate love and Harmony as they attempt to reunite fragile people from fractured communities, with God and each other. Right now missionaries desperately need your help. You can show missionaries you care by supporting their life-giving work on World Mission Sunday. Your prayers and generosity will change lives. The Mission Month pack can be used throughout the month of October and includes a booklet with daily reflections; a toolkit with updates for parish websites and bulletins and details of how to donate; texts for Mass on Mission Sunday in English and as Gaeilge; Children's Resource; and posters.

It can be downloaded at <https://www.wmi.ie/mission-month-pack>
