Lenten Scripture Sharing: Once again we are delighted to share a weekly series focused on the Sunday readings of Lent with prayer and reflections. This year the reflections have been prepared by Deacons Liam Dunne, Vincent Crowley and Eugene Keyes. You can access the series by clicking here [Lent 2021 Resources](#) This material can be used alone, as a family or as part of virtual meeting over a platform such as Zoom.

Living our Faith in the Domestic Church: The past year has highlighted the huge importance of the faith that is lived and handed on in homes across our parishes. While we may not be able to gather together physically, we continue to be united as a parish and diocesan family through our daily actions of faith in the home. In this time of pandemic, the Church has not closed. It is very much alive in households across Kildare and Leighlin as families care for one another - sharing the love, compassion, forgiveness and kindness of Christ every day; as they pray together and join their local parish in online liturgies – making space to be aware of the presence of God in their lives; as they care for others and for the environment – bringing the healing and care of Jesus to the lives of others and our world.

Trócaire's Lenten campaign for 2021: Tells the stories of two families in South Sudan whose lives have been impacted by conflict. Awut and Ajak are shining examples of resilience, friendship and solidarity. This Lent we hear not only about the enormous challenges they have faced, but also about how they support each other through these challenges. See <https://www.trocaire.org/our-work/working-inireland/parishes/resources/> for parish resources.

Pope Francis

@KANDLEI Kildare and Leighlin Diocese

What does Lent mean? While we associate Lent with preparation for Easter, the word ‘Lent’ actually comes from the Anglo-Saxon word *Lencten*, meaning ‘spring’.

That might seem strange at first but when we think about it there is an obvious connection between spring and our preparation for Easter.

While the images of spring may be of blooming flowers, spring lambs and lengthening, warmer days, none of this is instantaneous. It is a slow **process of change, growth and new beginnings** as nature turns away

from the cold and harshness of winter towards the warmth and light of spring. Our journey in Lent

is a bit like that, offering us an annual opportunity, in the light and warmth of our faith, for change, growth and new beginnings. Every spring, every Lent holds the promise of a fresh start and new life; this is a time when we can honestly look at our lives and take even the simplest of steps to **turn back to and deepen our relationship with God** and allow our faith to impact who

we are in the world. In other languages the word Lent comes from the Latin, *Quadragesima* – a period of **40 days**. In the Christian tradition the forty days is understood to refer to a time of intense prayer and preparation; we remember the biblical stories of Noah and the flood of forty days, the forty years the Israelites spent wandering in the wilderness and, primarily, we remember

Christ’s forty day fast in preparation for his ministry. Lent is our forty days of preparation to renew our baptism at Easter and to put ourselves back on track to live the life our baptism calls us to live in the everyday circumstances we find ourselves. Lent, then, is a time of doing **penance**, of actively embracing the Lenten disciplines of **prayer, fasting and almsgiving**. *None of these are ends in themselves, they are all part of the process that leads us back to God.*
