Nothing in nature lives for itself. **ACI Zoom Meeting - Synodality, the Parish and Climate Change:** As the global climate crisis deepens, so does the crisis of the Irish Catholic church – intensified unexpectedly by a viral pandemic. Faced also with understanding and implementing synodality - a new relationship centred on communion, co-responsibility and mission – Irish parish clergy and lay people are challenged by the understandable indifference of younger generations, who are often more alive to the global climate issue. Could a parish focus on the climate issue now also help solve the Synodality conundrum in Ireland - to convince younger generations, and clergy, that faith and climate justice need one another? Convinced that parishes can play a key role in meeting Ireland’s carbon reduction targets in the 21st century – and that climate concern needs to be a vital focus of the Irish church – Fr Sean McDonagh will Zoom on this theme on January 27th, 2022, at 8.00 p.m. Click the link below to join the discussion on Jan 27th at 8.00 p.m.

### St. Brigid’s Blessing

May Brigid bless the house wherein we dwell.  
 Bless every fireside, every wall and door.  
 Bless every heart that beats beneath its roof.  
 Bless every hand that toils to bring its joy.  
 Bless every foot that walks portals through.  
 May Brigid bless the house that shelters us.
