**Affordable Live in Homecare for the Elderly:** We provide live-in carers for the elderly in your area. Our service enables elderly people to continue on living in their own home and in their own community, and postpone the need for nursing home care for longer. We have been providing this service for more than 8 years now and we currently have more than 190 live-in carers working in Ireland. Elderly care can be very expensive but it does not have to be. Because our Carers are live-in and the family provides the carer with a reasonable salary and accommodation and food, the cost is actually very affordable, especially in comparison to nursing home care or private visiting carer services. Affordable Live-in Homecare provides live-in carers for the elderly in your area. If you are looking for a live-in carer for your relative, please call Eileen or Tom today on 087 991 6791 or 087 744 0729. Our website is [www.alhomecare.ie](http://www.alhomecare.ie)
