**Season of Creation:** The Season of Creation will take place, as in other years, from September 1- October 4. Care of the earth and care of the poor are central to our faith and this is an invaluable opportunity to highlight this in our parishes. Resources will be available on <https://seasonofcreation.org/> Listen to the Voice of Creation is this year's theme. The burning bush is the symbol for 2022. Today, the prevalence of unnatural fires are a sign of the devastating effects that climate change has on the most vulnerable of our planet. Creation cries out as forests crackle, animals flee, and people are forced to migrate due to the fires of injustice. On the contrary, the fire that called to Moses as he tended the flock on Mt. Horeb did not consume or destroy the bush. This flame of the Spirit revealed God's presence. This holy fire affirmed that God heard the cries of all who suffered, and promised to be with us as we followed in faith to our deliverance from injustice. In this Season of Creation, this symbol of God's Spirit calls us to listen to the voice of creation
