**Building Improvement Grants:** There are plenty of excellent grant opportunities for parishes, Dioceses and Catholic schools and charities. Anyone planning a project can get in touch with ceire.sadlier@iecon.ie or +353 868923336 to talk about these and other opportunities, such as. Community Impact Grants: This programme empowers Christian organisations across the UK and Ireland, who are doing incredible work tackling major issues in society. At the same time, our Community Impact Grants help churches to grow their congregations and promote the Christian faith. The programme is open to applications from churches, cathedrals, denominational bodies, Christian charities, and schools and educational institutions with a clear Christian ethos. The programme supports direct capital and/or revenue costs.

**All-Ireland Pollinator Plan:** Avoid using insecticides, fungicides and herbicides These potent chemical cocktails are designed to kill various organisms. One of the best things you can do for pollinators is avoid using them. Why: Insecticides have been found to kill, harm, and disorientate pollinators. Herbicides kill the ‘weeds’ that provide them with important food. [www.pollinators.ie/top-ten-ways-to-help-pollinators/](http://www.pollinators.ie/top-ten-ways-to-help-pollinators/)
