All-Ireland Pollinator Plan: There are over 2 million domestic gardens in this country. Just imagine the difference it could make if 2 million gardens became biodiversity friendly! Gardening for Biodiversity also has advantages for human health and wellbeing. For gardens to be good for pollinators, they need to provide food in the form of flowers, shelter for nesting and safety from chemicals. pollinators.ie/top-ten-ways-to-help-pollinators/

Treasure Ireland: A new video series launched recently by the Irish Dominicans is an ambitious project that will take the friars to every county in Ireland, filming roughly ten videos in each county, highlighting the many and varied stories that make up the history of Irish Christianity.

The series is currently focussed on the counties which overlap with the territory of the diocese of Kildare and Leighlin: Laois, Kildare, Carlow, and Kilkenny. Some of the sites visited include Timahoe, the Rock of Dunamase, and the Brownshill Dolmen. The story of Jesuit photographer, Fr Frank Browne, is told in a video recorded in Emo Court, and that of pioneering scientist, Fr Nicholas Callan, in a video from Maynooth. The stories of the great saints of these counties feature prominently: there are videos on St Brigid, St Mochua, St Moling, St Fergal of Aghaboe, and the Dominican martyr, Blessed Peter O'Higgins. There'll soon be added to that list the stories of two great bishops of Kildare and Leighlin: Daniel Delany (d. 1814) and James Doyle (d. 1834), also known as J.K.L. ('James of Kildare and Leighlin'). All of these stories are told in a way designed to interest believers and non-believers alike, showing, bit by bit, that the Gospel is woven inseparably into the fabric of Irish history.

The videos can be viewed
